Heroes for Horses Membership is to help support the general day to day expenses of the Sanctuary, including but not limited to feed, hay, grooming supplies, veterinary care, farrier services, transportation costs, maintenance of the premises, etc.

The horses would love for you to visit, pet, groom, spend time with them and generally "spoil" as them as much as possible! **Please be sure to call and make an appointment for visits so someone is available to show you around.** If you cannot visit, we will keep you updated with quarterly newsletters about the horses and the day-to-day life at the Sanctuary. Follow us on Facebook, Instagram and TikTok for insights and updates too.

"Thank you" for being willing to make a difference in the life of the horses and for your support of our efforts to care for those horses that have been abused, neglected or abandoned in our community!
